

# JENNY LAWRENCE

---

JENNY LAWRENCE is Designer Rugs' inhouse designer. Her interest in art and architecture eventually led her to rug design. She is a post graduate in professional art studies, with majors in sculpture and photography, and has had solo exhibitions in Brisbane and Sydney.

Australian-born Jenny, 34, says her designs are "an eclectic evaluation". Rugs designed by Jenny, many with an Australian motif, hang in countries throughout the world including Switzerland, Japan and the United States.
